Information about the basic element

- Each floor can be used individually
- Body has the colour RAL 7035 (light grey)
- Shelves are available in the colour RAL 3020 (traffic red), all other colours are possible as special colours
- Rack height is 1950 mm (analogue ORSY®mat systems)
- Nine rack levels for W®KLT bins
- Accessory items available:
  side panels, rear wall, three different door heights, various shelves, dividers, four drawer variants, modules for cartridges, modules for threaded rods, REFILLOmat® modules, modules for canisters, suitcase pull-out

Possible rack variations

There are four different rack depths.

- The depths 350 mm, 680 mm and 830 mm replace the original ORSY® W®KLT rack
- The 500 mm depth is used for the variations of the ORSY®1 rack series
