

PRESS RELEASE

Stefan Reuss joins the General Management of Würth Industrie Service

Bad Mergentheim/Main-Tauber-Kreis.

With the start of the new year, Würth Industrie Service GmbH & Co. KG has expanded its General Management. Stefan Reuss, who is responsible for IT and Digital Solutions, joined the management team on 1st January 2022 led by Rainer Bürkert, Member of the Central Managing Board of the Würth Group, Martin Jauss, Spokesman of the General Management, Ralf Gehring, General Manager Finance, Marcus Otto, General Manager Purchasing and product department, and Eberhard Scheuber, General Manager of Sales. This development will strengthen the knowledge base in the company, and simultaneously create a room for creative growth and innovations.

Stefan Reuss's expertise comes from his many years of experience in the Würth Group. Stefan Reuss, born in 1974, completed his apprenticeship in wholesale and foreign trade at Adolf Würth GmbH & Co. KG in Künzelsau from 1995 to 1998. Following his degree in economics at Karlsruhe Institute of Technology, he started working in the parent company in 2003 as assistant to the Head of Industry division. Since 2005, he has been working for the industrial customer business of Würth Industrie Service in different functions in Germany and abroad: from 2005 to 2008 as General Manager of Würth Industrial Services India, from 2008 to 2011 as Head of Engineering department and from 2011 to 2018 as Head of Logistics and IT of Würth Industrie Service. After taking over the management of a start-up in 2018, he returned to the Würth Group in 2019. Today, he is responsible for IT and Digital Solutions, and thus for the strategic enhancement of the business model, customer-oriented innovations, new systems and technologies at Würth Industrie Service.

"Innovations take place in an environment of increasing customer demands, high pace and constantly changing IT landscape. Therefore, we combine our own expertise in market and customer focus to accelerate the new practice-oriented applications as well as IT solutions and set trends in C-Parts management. I am looking forward to my role in the General Management and understanding the upcoming challenges, which we will address together as a company." states Reuss. "Promoting technologies, undertaking new projects and simply making a
